

August, 2010: Riverfront Recapture's Considine selected to United States Rowing Association's Junior Women's Development Camp

A member of Riverfront Recapture's High School Rowing Team, Regan Considine attended the March 28th, 2010, Talent Identification Camp at the Radcliffe Boathouse in Cambridge, MA. Her performance earned her an invitation to the Junior Women's Development Camp in New London, CT, June 3 – July 11, 2010. Selection to this camp, which develops rowers to compete for positions on the US Junior National Team, put Regan among the top 10% of high school rowers in the country.

Regan's US Development Camp coach, Skye Elliot, said that she made the most progress out of the 30 rowers in her camp, and he was impressed with her determination. Regan is a rising Junior at Hall High School in West Hartford, where she earned Maximum Honors and is a member of the Choir.
